

## 40 Year Reunion

---

Hello Bulldogs!

There are only 33 days until the reunion and the excitement is building! We have had over 2,350 hits on our website as classmates discover and sign up for the upcoming events. We've added new pages to recognize reunion sponsors and display photo albums of our 30th reunion and a classmate memorial.

In July, we will be adding a message board so you can post messages and communicate with classmates in the final days leading up to the event. And in our final newsletter, we will provide all event details, including menus, music, activities, prizes, special guests, and more.

Ticket sales are picking up as the deadline for discount pricing approaches, but there are many who plan to attend that have not yet purchased tickets. Because we have commitments to the hotel and other vendors, we really need each of you to please finalize your plans and purchase your tickets this week.

In support of this great event, and to encourage everyone to sign up now, the Radisson will allow us to waive the upcoming 15% price increase on tickets if we meet 90% of our projected attendance by Monday, June 30. We're very close to that goal, but we need your help to push us over the top. So don't delay, sign up today!

Lets go Bulldogs!!

Thanks,  
Your Reunion Team
