### A WEEKEND TO REMEMBER...

Reunion weekend is almost here and the excitement continues to build in anticipation of a wonderful time together with classmates and friends. We are expecting about a hundred for the Saturday banquet and the response to the Friday reception has been so good that we are moving to the larger Trade Winds ballroom for this event. We have 3 foursomes scheduled to tee off at 10am on Saturday morning, and recently added a Wine Tasting page to our website so those who are confirmed for the Saturday banquet can RSVP for this activity. We hope the interest in this event picks up as the date approaches, so plan on a relaxing hour with friends and learn how to select and buy refreshing summer wines. Linda Trew is finalizing the tour of Melbourne High School for Friday afternoon and will be announcing the exact time next week. We have added a Message Board to the website so classmates can post public messages and replies. It also allows the reunion team to keep everyone posted on new developments, so please monitor this board for late breaking news.

It is very exciting to see old friends attending their 4th reunion and so many classmates joining us for the first time. It is equally amazing to see the level of commitment from so many who are coming in from out of town, state and country.

This is our final newsletter, so we will be devoting the remainder of its content to providing all of the details for each event so you will know what to expect. The team has worked hard to make this a very special event for everyone. We thank you for your support and look forward to seeing each of you soon.

Warmest regards,  
Your Reunion Team

## WINE TASTING HOUR

The wine tasting hour will be held Saturday afternoon at 3pm at the Radisson Hotel in a room to be determined. We are planning to have a local wine expert provide instruction on how to select, buy, serve and store summer wines. We will focus on 2 or 3 varieties and spend time learning the proper way to taste and evaluate each variety.

Please visit our website and navigate to the Wine Tasting page to RSVP for this educational and enjoyable event.
